

## County Management Fellows Program

County of Los Angeles ♦ Department of Human Resources

### County Management Fellows Program

- ◆ Highly selective, paid, two-year fellowship
- ◆ Eligible to well-qualified graduates with a Master's degree or higher
- ◆ Program is designed to enhance County succession planning efforts and enable departments to invest in their future leadership
- ◆ Through mentorship and leadership development, Management Fellows may be able to compete for senior specialist or first-line supervisory positions at the end of the fellowship (e.g., Administrative Services Manager I or II, Assistant Hospital Administrator II, Human Services Administrator I, or higher)
- ◆ Fellows will be assessed on their critical thinking ability, leadership potential, and oral and written communication skills
